- 2.
- 3.

11 – Supporting Applications

A personal computer with Windows operating system and an up-to-date .NET. environment is required to run a Supporting Application. First 30 days of using an application are free. After this period, the fee will be charged in proportion to the number of days remaining until the end of the month. If the Client cancels their subscription within a month, by analogy, the fee will be refunded to the Client's Balance. Subscription fees include a fee for a month of using an application. All applications offered for subscription fee, are provided with free updates and technical support. Subscriptions for integration applications do not include the cost of third party licences or costs of access to databases of providers, which should be obtained individually. The cost of subscriptions for IAI Scanner, IAI POS, IAI Bridge, IAI Bridge Professional, IAI Printer, IAI Downloader and IAI Printer includes use by one workstation key during a 24 hour period. If the Client wishes to use multiple devices at the same time, they purchase as many subscriptions as the number of devices using the application during the same 24 hour period. If a device change is required it must be performed after the current 24 hour period is elapsed.

3. Fee for the withdrawal of funds accumulated in CSC in PLN to accounts maintained in foreign banks - £9/9€/ \$9

4. Fee for the withdrawal of funds accumulated in CSC in CZK, GBP, USD – £7/7€/ \$7

To the indicated bank account maintained by the Bank in the zone of one of the three listed currencies. The fee applies only to payments made from the CSC balance, does not apply to funds transferred directly to the Client's account after each payment by the Customer.

5. Fee for payment of settlements with IAI with use of instant payments operated by IAI – 0,5% of the transaction value

The fee is charged when the Client decides to pay settlements with IAI S.A. via a system of electronic payments with instant crediting instead of regular bank transfer. This does not refer to a transfer from the Balance in the Customer Service or a transfer related to payment to courier upon delivery. The fee is transferred to the payer by deduction of money from the Balance in a separate transaction.

6. Removal of access to the Service as a result of late payments – £175 / 200€ / \$260

This fee is charged once, when payment deadline of at least one invoice is exceeded by over 60 days or the debt below the minimum balance lasted more than 60 days and there was no reaction to written summons or the debt was not paid back in accordance with the agreed schedule. The cost covers uninstallation, copying and archiving of data of 1 administration panel for 6 months or by termination of debt recovery court proceedings, and then, data destruction. For fixed term Contracts, administration panels are archived and access can be reinstated within the Contract term.

7. Return of Balance surplus – £6/8€/ \$10

It is possible to have surplus in the Balance. The fee includes costs of issuance and dispatch of a correction invoice, and when it is sent back, issuance of a bank transfer or payment via Internet payment system where the payee bears costs of the commission for the transfer.

8. Provision of information to the police, prosecutor's office or other state control or law enforcement bodies on operations of the Client executed via the Service, if request for such information is received – £24 / 30€ / \$40

If the Client of the shop notifies the police or the prosecutor's office of an offence or a state body acts with such initiative and the Operator is forced to provide the required information on the Client to such bodies, the cost is charged for each case which is identified on the basis of the number of the file. The first two information provision services within a calendar year are free of charge.

Appendix 2 – Price List for e-mails and SMS services

The Operator provides the possibility to send text messages. If a text is longer than technical limits of the SMS standard, it shall be divided into separate messages sections and then sent out (0-160 characters = 1 message, 161-306 characters = 2 messages, 307-459 characters = 3 messages). Messages with 'branding' have an option of controlling the 11-symbol sender field which allows for specifying the sender name. 'Priority' messages are messages with a guarantee to be sent within 3 minutes of being triggered. SMS messages are added up daily and presented as a sum of costs of messages sent out on a given day.

Text messages are a paid service for all messages sent via the Operator's service.

1 – Mobile phones registered in Poland (prefix +48)

1. **Sending of 1 SMS PL – £0.032/0.037€//\$0.048**
2. **Sending of 1 SMS PL with branding – £0.033/0.038€//\$0.049**
3. **Sending of 1 priority SMS PL – £0.036/0.041€//\$0.053**
4. **Sending of 1 priority SMS PL with branding – £0.037/0.042€//\$0.055**

2 – Mobile phones registered in European Union countries (except Poland), USA, Canada, Australia, Kingdom of Saudi Arabia, United Arab Emirates, Oman, Kuwait and Bahrain

1. **Sending of 1 ordinary SMS – £0.065/0.074€//\$0.096**
2. **Sending of 1 SMS with branding – £0.072 / 0.083€ / \$0.108**
3. **Sending of 1 priority SMS – £0.072/0.083€//\$0.108**
4. **Sending of 1 priority SMS with branding – £0.075/0,085€//\$0.111**
5. **3 – Sending of 1 e-mail via FreshMail servers – £0.001 / 0.001€ / \$0.001**

Apart from free e-mails from servers where the internet shop is installed and external servers which are integrated using the SMPT protocol, the Operator offers an option to send e-mails using quick, reliable infrastructure specialising in email dispatch.. Such servers have high deliverability levels thanks to high reputation, they are able to deliver e-mails quicker, e.g. to free e-mail boxes and they report e-mail soft and hard bouncing. Additionally, when these services are used, the very process of e-mail dispatch affects the traffic on the server of the client less. Newsletters which are sent by Freshmail have the option of E-mail Marketing Pro service without the necessity of purchasing the service. The fee is calculated daily, rounded up.

Appendix 3 – Price List for IAI Pay online payments

The Operator provides IAI Pay electronic payments, among others through BLIK and so-called Pay-by-links (immediate, automatic bank payments), without the need to have an account with these banks or incur fixed fees. The operator transfers the full amount of payments to CSC and, for selected banks, directly to the Client's account, sending information about the payment to the payment service system for the order. The commission fees are the net amount of the Balance. **The following commissions apply only to deposits from banks and are not calculated when the money from COD orders is transferred to the CSC Balance.**

1. **Commission for handling payments with automatic payment booking - from 1.2% to 1.4% on the transaction value for Subscription Plans other than Smart Cloud:**
 1. The highest commission charged for payments is 1.4% of the transaction amount, calculated separately for each payment.
 2. If the total amount of all transactions of a given Client, in a given Settlement period, paid for by the Operator's system exceeds PLN 20,000, the Operator will apply a rate of 1.3% for all payments, regardless of their total value in the next Settlement period.
 3. If the total amount of all transactions of a given Client, in a given Settlement period, paid for by the Operator's system exceeds PLN 40,000, the Operator will apply a 1.2% rate for all payments, regardless of their total value in the next Settlement Period.
 4. If the total amount of all transactions of a given Client, in a given Settlement period, paid for by the system organized by the Operator exceeds PLN 60,000 - the fee can be negotiated.
 5. In the first month of turning on the service, the rate of 1.2% will be applied.
2. **Fee for the transfer of funds accumulated in CSC to the Client's Balance - £0/0€/\$0**

If the funds are intended to pay for the Operator's services.
3. **Fee for a recognized chargeback complaint - £25/25€/\$25**

The fee applies only to card payments for which a chargeback type complaint will eventually be recognized. The fee is paid to the card acquirer and is calculated in the same amount as the Operator is obliged to pay. The amount of the fee is independent of the amount of the transaction being advertised.

Appendix 4 – Additional application hosting pricing

Most individually written applications will need hosting, that is, placing them on a server. We offer a comprehensive approach and provide additional hosting for applications so that you do not have to worry about these issues.

HOSTING MINI –

The basic fee paid in advance is **£80/90€/£110** net per year (regardless of the number of applications - programs on the server). If the sum of the charges exceeds the annual fee, the surcharges will be charged once a month or after the end of the year. The cost is calculated as the sum of hourly fees for each:

1. 1GB of disk space, with a backup– **£0,001/0,001€//\$,001 (approx. £0.7/0.7€//\$0.7 for a month)**
2. core – **£0,01/0,01€//\$,01 (approx. £7/7€//\$7 for a month)**
3. 0,5GB RAM – **£0,01/0,01€//\$,01 (approx. £7/7€//\$7 for a month)**
4. an additional fee is charged for each 1GB of outgoing traffic over 50GB at the price of **£0,005/0,005€//\$,005 (approx. £3.6/3.6€//\$3.6 for a month)**

HOSTING PRO –

This is an extended offer of the HOSTING MINI service with the monthly maintenance of server space and applications.

As part of monthly activities, the stability of the application is checked, and necessary update corrections are made to increase performance and security. As part of such work, we ensure that the hosting environment and the application itself are up-to-date, the API and libraries used by the application are upgraded to the current stable versions.

An additional advantage of the extended version is the continuous monitoring of the application's operation and the ability to adjust the server power.

The basic fee paid in advance is **£80/90€/£110** net per year (regardless of the number of applications - programs on the server). If the sum of the charges exceeds the annual fee, the surcharges will be charged once a month or after the end of the year. The cost is calculated as the sum of hourly fees for each:

1. 1GB of disk space, with a backup– **£0,001/0,001€//\$,001 (approx. £0.7/0.7€//\$0.7 for a month)**
2. core – **£0,01/0,01€//\$,01 (approx. £7/7€//\$7 for a month)**
3. 0,5GB RAM – **£0,01/0,01€//\$,01 (approx. £7/7€//\$7 for a month)**
4. an additional fee is charged for each 1GB of outgoing traffic over 50GB at the price of **£0,005/0,005€//\$,005 (approx. £3.6/3.6€//\$3.6 for a month)**
