2. **License for IAI POS (prolongation) – £99 / 119€**
3. **License for IAI Downloader – £0 / 0€**
4. **License for IAI Downloader (prolongation) – £0 / 0€**

## 8 – Additional services

Additional services are optional, not obligatory modules modifying the standard, free-from-charge Service behavior. White-Label, Premium IP and Company Branch services have – in the first month of use – fees calculated proportionally to number of days until the end of the month and – in the next months – in advance for every started month. Service is established and the fee charged for every Shop Mask separately, independently from the subscription plan.

1. **White-Label service – £50 / 57€**  
It allows for removing the “Powered by IdoSell.com” logo, alternative text, link from the Shop Mask and Meta-Author section.
2. **Premium IP service – £6,25 / 7,5€**  
It allows for running the Shop Mask on separate IPv4 address. This service is necessary to install the Customer's SSL certificate. The Provider shall have the right to refuse to fulfill this service in case of lack of free IPv4 addresses.
3. **Company Branch service for CLOUD subscription plan – £6,25 / 7,5€**  
It allows for supporting an additional Shop Mask with separate Billing Details for selling company and support for these details also in selling documents.
4. **Company Branch service for subscription plans other than CLOUD – £18,75 / 22,5€**  
It covers the same functionalities as a the Company Branch service for CLOUD subscription plan but for other subscription plans.
5. **Export Generation Pro service – £2,25 / 2,75€**  
Allows to generate offer files for purposes of integration with external sites (i.e. price comparers) at indicated hour, not more than once every 4 hours. Service available only for DEDICATED CLOUD plans. Fee is charged for every store separately.
6. **E-Mail Marketing Pro service for CLOUD subscription plan – £9,75 / 11,25€**  
Allows to send personalized newsletters, triggered messages and perform many other advanced e-mail marketing operations. Service available only for DEDICATED CLOUD plans. Fee is charged for administration panel. Minimal term of notice is 14 days.
7. **E-Mail Marketing Pro service for subscription plans other than CLOUD - £10 / 12€**  
Covers the same scope of functionalities as E-Mail Marketing Pro service for CLOUD subscription plan.
8. **Second, mobile version of shop page – £2,25 / 2,60€**  
Additional shop mask for mobile devices available to already existing stores – not an additional store.
9. **Consignment in Europe – £4 / 4,50€**  
It covers sending of any consignment to the Customer in a material form, i.e. paper invoice copy (with weight up to 350 grams), in situations when the Customer needs something else than a electronic document, signed with qualified digital signature. The cost covers sending a registered mail to any of the European countries (including Cyprus, Russia and Israel).
10. **Fee for withdrawal of funds from CSC to a specified bank account in SEPA– £1,5 / 1,75€**
11. **Fee for transfer of funds from CSC to Balance – £0 / 0€**
12. **Fee for payment made to Balance by means of PayPal instant payments system – compliant with current PayPal commissions**  
Fee charged, when Customer decides to pay funds to Balance by means of PayPal system, instead of a standard bank transfer. This fee paid by payer – operation is performed by deducting funds from current Balance.
13. **Fee for payment made to Balance by means of by IAI payment system – 2% of transaction value**  
Fee charged, when Customer decides to pay funds to Balance by means of “by IAI” instant payment systems, instead of a standard bank transfer. It does not include transfer of funds on CSC Balance or money from cash-on-delivery courier services. This fee paid by payer – operation is performed by deducting funds from current Balance made in additional operation.

**Appendixes:**

1. Appendix no. 1 – **SMS and E-mail Price List**
2. Appendix no. 2 – **SSL Certificates Price List**

All of the prices are net prices and – to calculate the gross price for companies not squaring VAT in EU countries – should be adjusted by 23% VAT. Companies from outside the EU, but squaring VAT in the EU, have their invoices squared without VAT.

Price List was adopted at the meeting of the Executive Board of IAI S.A by a resolution no. PL/1/2013 dated 29th March 2013.

## Appendix no. 1 – SMS and E-mail Price List

Provider allows to send SMS. Texts longer than standard limits are divided into multiple messages. Branded messages allow to change content of 11-character-long Sender field – Customer name will be displayed. Priority messages are always sent within 3 minutes. SMS are cleared on daily basis as a sum of costs of messages sent on particular day.

### **1 – Cell phones registered in Poland (+48 prefix)**

1. **Sending 1 standard SMS PL – £0,032 / 0,037€**
